## Message from the Section 1510 Incoming Chair by Rich Eggleston

**Hello** to all members of Section 1510, and a special welcome to all new members. Before continuing, I must first thank Andy and his Board for all of their hard work, valuable time and dedication for our ASQ section success for the past year. Secondly I would like to thank the board for having the confidence in naming me the new chair for the section. I hope we can continue with the successes that our section has enjoyed over the years past.

**Coming Up...**Leadership training on the 26<sup>th</sup> of July. This is a great opportunity to learn or continue to learn how the ASQ section functions as a group.....please see page 6 of this issue of the Variant for the particulars for the event.

**Recertification reminder .....**If you have an ASQ certification that requires recertification every three years, look at the "Recertify BY" date on your certificate, and don't let it lapse. If you don't recertify in time, you will need to take the exam again to keep the certification active.

Remember that you can get 0.3 RUs' for each monthly meeting you attend. They do add up.

**Thanks...** to Bob Pintavalle for his effective presentation of a six sigma project his company accomplished. Bob gave his well attended talk at the sections dinner meeting on June 10<sup>th</sup> at Don Shula's.

**Looking Forward.....**Be sure to check the Variant often for the start of new class dates for certification refresher classes. Section 1510 has assembled outstanding instructors

## Message from the Section 1515 Outgoing Chair by Enrique Bekerman

We held our May 20 luncheon event at NCCI with close to 100 NCCI leaders and ASQ members present. Thomas Lawler, Vice President of Customer Experience for the Southern Region of Wachovia Bank, provided us with a dynamic presentation of Wachovia's program for exceeding Customer expectations. A plaque was presented to Steven Sibner, Managing Attorney for NCCI, in gratitude for NCCI's continuing support to Quality and our Section. A delicious lunch buffet catered by NCCI followed. Our thanks to Alyson Goermar for all the work she did in arranging this exciting event.

On June 5, ASQ 1515 held a meeting at the Ritz-Carlton in Palm Beach. Kelly Dennison,

(Continued on page 4)

## Message from the Section 1515 Incoming Chair by Jay Stahan

My thanks on behalf of all of Section 1515 to Enrique Bekerman for his leadership, vision, and energy put forth during his tenure as Chair of Section 1515. The section has achieved the goals of its business plan due in large part to Enrique's efforts and drive. Not only Section 1515 but the entire quality profession has benefited. Thank you, Enrique.

The Leadership Team for 2008-2009:

Chair: Jay Stahan  
 Treasurer: Charlotte Williamson  
 Secretary: Enrique Bekerman  
 Programming: Enrique Bekerman

(Continued on page 6)

## Section 1510 Monthly Meeting Email Reminders Option!

If you would like to receive an E-Mail reminder of Section 1510 Monthly Dinner Meetings, please send a valid e-Mail address in the body of your response to Section 1510 Arrangements Chair Myriam Ochart at m\_ochart@bellsouth.net. Please place in Subject Line: "ASQ Meeting Reminder"

# Section 1510 ASQ Certification Refresher Classes

To participate in an ASQ refresher class, please sign up on the web page at [www.asqsefla.org](http://www.asqsefla.org). If you have a question regarding registration or class site, call Mayra Bisnow, Education Chair, at 954-478-0384 or email [mbisnow@gmail.com](mailto:mbisnow@gmail.com). For course content questions, textbooks, or ASQ certification, contact Eleanor Chilson at 954-428-7373 x-245. Please sign up at least three weeks before the scheduled class start to assure you have the textbook at first session. Any classes that do not register a minimum of five students will be cancelled. *All classes are refresher classes.*

Class	Class Name	CEU's	Fee Includes materials, handouts and text where applicable	When	Time Classes are 5:30 pm to 8:30 unless otherwise listed	Instructor
IA	Internal Auditing for Quality Systems	1.0	\$175	February, October or by request	One day Seminar 8:30 am—5:30 pm	Kannan Krishnan CQE, CQA, CQMa, CQIA, CSSBB, CQPA
CQT	Certified Quality Technician	2.7	\$300	January, August	9 sessions	Eleanor Chilson CQE, CQMa, CQA, CQIA and Andy Vouloukos CQE, CRE

**For Certification Exams dates and locations, please visit the ASQ Certification website at [www.asq.org](http://www.asq.org)**

(Continued from page 1)

for most all of which ASQ has to offer..... On behalf of the section Board Members we wish you all a safe summer and hope to see everyone that can attend, at the next dinner meeting in September.

## Internal Auditing Seminar

ASQ Section 1510 and SFMA will be offering an Internal Auditing seminar on **July 15**, in **Broward County** at the **South Florida Manufacturers Association**  
McNab Executive Plaza, 1000 W. McNab Road  
Pompano Beach FL 33069

The cost will be only **\$175.00**

The all day course will cover all aspects of conducting an effective quality system audit and includes workshop.

Students are awarded **1.0 CEU** point.

For registration please visit our section website  
[www.asqsefla.org](http://www.asqsefla.org).

For additional information please contact our Section Education Chair (Mayra Bisnow) by e-mail at [mbisnow@gmail.com](mailto:mbisnow@gmail.com) or by phone at 954-478-0384

## Reminder

### **The Following Certification Refresher Classes Start in August**

Quality Technician  
Manager of Quality/Organizational Excellence  
Quality Inspector  
Reliability Engineer  
Six Sigma Black Belt  
Biomedical Auditor

If you are interested in taking the class, please sign up. Your interest will be confirmed if there are enough people to hold the class.

## **Six Sigma Green Belt Training**

Sponsored by ASQ Section 1510

### Program details:

- Designed for Six Sigma enthusiasts who will perform or facilitate process improvement activities
- Suitable for all areas and all levels within an organization
- Nine Saturday sessions from 8:30 AM to 5 PM starting TBD. Classes planned to begin in March and October pending sufficient registration.
- Location: TBD
- Cost \$2500 per participant (Breakfast and Lunch included) Grant money may be available to organizations through the State of Florida. For details go to [www.workforceflorida.com](http://www.workforceflorida.com) under 'Incumbent Worker Training'.

### Certification Program includes:

- Six Sigma methodology and DMAIC roadmap
- Hands on workshops on Six Sigma process improvement tools
- Hands on training on use of Minitab Software
- Successful completion and presentation of a strategically linked process improvement project.
- Six Sigma Handbook by Thomas Pyzdek and Six Sigma Memory Jogger presented as reference material

### Instructors are Six Sigma Black Belt practitioners certified by ASQ:

Kannan Krishnan CSSBB, CQMa, CQE, CQA, CQIA, CQPA  
Purav Panathula CSSBB, CQE, CQMa

### Program Benefits:

- Competitively priced to accommodate individuals and company sponsored employees — *About 30% lower in price than other locally offered Green Belt Certification programs*
- Credibility of the certifying body (ASQ Section 1510)
- Weekend program
- Included in this program (not in most other Green Belt Certification Programs): Use of Minitab Software, Design Of Experiments (DOE)
- Coverage of the 'Certified Quality Improvement Associate' (CQIA) Body of Knowledge
- EU Points for ASQ re-certification: 6.0

### Prerequisites:

- Laptop preferred but **not** mandatory
- Basic math skills

### Requirements for Certification:

- Attend a minimum of 6 sessions
- Present a completed project

For registration and additional information please contact section Education Chair Mayra Bisnow, Education Chair, at 954-478-0384 or email [mbisnow@gmail.com](mailto:mbisnow@gmail.com). You may also register through our section website [www.asqsefla.org](http://www.asqsefla.org)

### *Section 1510 Mission*

*To foster a dynamic environment that will:*

- *Enable section members to network with peers*
- *Provide seminars and courses on the latest quality related tools and topics to facilitate their implementation in the manufacturing and service industries*
- *Lead section members into developing their potential through ASQ certification*

(Continued from page 1)

Quality Manager, and Bosco Saldanha, Learning Manager, teamed up to give us an excellent detailed presentation on the Ritz-Carlton's way of life through Quality. At the end of the meeting, we received a "behind the scene" tour of how the Quality programs are implemented. Thank you, Kelly and Bosco.

Those in attendance were immensely impressed with the Ritz-Carlton's extensive efforts in delighting their customers and treating customers and employees with utmost respect. If you would like to learn more about the Ritz-Carlton's methods and mystique, please note a new book will be available at your local bookstore in July called **The New Gold Standard** by Dr. Joseph Michelli (see description below).

On June 10, ASQ 1515 partnered with Palm Beach Community College to deliver a two hour workshop on Lean Six Sigma. We are teaming up again to present several Green Belt and Black Belt courses starting in July. The courses are intended for professional and managers seeking ASQ Certification. Please see the advertisement on this page.

Please join me in welcoming Jay Stahan, our new Chair, and the other 1515 board members for the 2008-2009 year. Jay has already contributed many innovative ideas to our section and under his leadership we will certainly continue to grow and provide increasing services to our Palm Beach and South Florida Communities.

Among the anticipated events still in the planning stages:

- Lean Sigma web cast
- What Changes can we expect for ISO 9001:2008 Panel Discussion
- Facilitation Skills in partnership with ASTD
- Cost of Quality and the Quality Culture
- DFSS (Design for Six Sigma) and plant tour of Tyco Safety
- DOE (Design of Experiments) in West Palm Beach
- Conflict Resolution in the Quality Profession
- Healthcare Quality, joint meeting with ACHE (our third annual joint meeting)
- Supplier Quality at Office Depot
- Quality Auditing in the Transactional Environment (possibly at DMCC)
- FMEA (TBD)

I look forward to a year full of exciting Quality experiences.

### "THE NEW GOLD STANDARD"

Dr. Joseph A. Michelli, author of best selling business books including "The Starbucks Experience," uncovers the secrets of world-class leadership in his latest book, "The New Gold Standard: Five Leadership Principles for Creating a Legendary Customer Experience Courtesy Of The Ritz-Carlton Hotel Company." This is the first time the award-winning global hospitality and lifestyle company has shared such detailed information on its corporate culture and service philosophy. This includes discovering how to engage customer loyalty, measure results, and retain the best talent in a service economy. The 285-page, hardcover book, published by McGraw-Hill, is expected to be available in stores and online in early July.

## **1515 CALL FOR SPEAKERS**

ASQ Section 1515 would like to invite you to speak at one of our monthly section meetings. If you have a topic relevant to the management of quality systems, and or to the quality profession in general, we invite you, and encourage you, to share your experience with your colleagues.

Topics of special interest are practices, processes, or procedures you have developed and determined to be very effective in the management of your quality system. Your "Best Practice" can provide insight for many other

## **ASQ 1515 Greater Palm Beach Proudly Co-sponsors Special Event Executive Management Institute for Training Palm Beach Community College – Boca Raton Six Sigma – Green Belt- Two Options**

### **Option 1: Full 70-hour program (company project and ASQ exam preparation)**

This program is designed for the working Manager/Executive/Professional who desires to obtain in-depth knowledge of Lean Six Sigma. This Green Belt Program will cover the Body-of Knowledge of the ASQ Green Belt Exam and will be supplemented with materials that will make the contents relevant to the participants' daily work. Participants will be asked to select a work related project during the early part of the program that will enable the application of the class lessons.

Participants who desire ASQ Green Belt Certification should apply for the Green Belt ASQ exam given twice per year in June and December. Check [www.asq.org](http://www.asq.org) for the application deadlines and required fees. A date has been set aside for Exam Review prior to the ASQ exam. Participants will receive a letter of completion from PBCC.

### **Half days (8:30 a.m. -12:00 noon):**

July: 21<sup>th</sup> – 25<sup>th</sup>

August: 18<sup>th</sup> – 22<sup>nd</sup>

September 15<sup>th</sup>-19<sup>th</sup>

November: 17<sup>th</sup> – 20<sup>th</sup>

December: 2<sup>nd</sup>

Cost: \$2,750, \$2,650\* (2 or more), \$2,350 (10 or more)

### **Option 2: Accelerated 35-hour program**

This accelerated program is designed for the working Manager/Executive/Professional who desires to obtain in-depth knowledge of Lean Six Sigma without obtaining ASQ Certification. The accelerated Green Belt Program will be aligned with The ASQ Body of Knowledge. The short duration of the program will not permit completion of a project. All successful participants will receive a letter of completion of the Green Belt Program from PBCC.

### **Half days (1:30 p.m.-5:00 p.m.):**

July: 21<sup>th</sup> – 31<sup>st</sup>, August 1<sup>st</sup>

Cost: \$1,400, \$1,350\* (2 or more), \$1,150 (10 or more)

**To register with PBCC call Kathy Wright at 561-862-4705. Please register by July 14.**

*\*All ASQ members can register individually at the small group rate*

quality professionals who can learn from you. Providing "real life, hands on" experience provides great insight into "how" to apply the many quality theories we all learn but sometimes have difficulty implementing.

Please contact anyone of ASQ Section's leadership team to discuss the potential for you to present a "Best Practice" at a monthly meeting. Contact information is available at the Board Member link at: [www.asqpalmbeach.org](http://www.asqpalmbeach.org).

# Additional Employment Opportunities

A medical company is looking for highly technical **engineer with solid background in Class III Medical Device Risk Management.**

**Responsibilities:** Provide leadership of QA resources applied to each Project and System for the full lifecycle of the Product, Service, or System as needed per New Product Introduction and Design Controls. Develop, Update, and Maintain SOPs, Forms, Methods related to Quality in the NPI/DC SOP and Risk Management System. **Experience/Skills:** Design control and new product introduction process, 4 Years specific engineering experience (medical device), Good understanding & experience in advanced problem solving including statistical techniques, 4 Years experience in application and leading problem-solving, root cause analysis and related Corrective and Preventive Actions (including verification)(CAPA) **Education:** BS, Mechanical Engineering, Biomedical Engineering, Process Engineering or related technical discipline, ASQ Certified Quality Engineer a plus, Green Belt or Black Belt certification in Six Sigma / Lean Sigma  
**Contact:** Les.Rodriguez@spectranetics.com, Director, QA & QE

**Kaplan Virtual Education (KVE)** is a leader in the growing field of virtual high school instruction and online curriculum development. As we continue to grow, we seek a **Director of Process Management.** **Responsibilities include:** data acquisition, analysis and management; creation and management of operational business processes, controls and audits for the purpose of continuous improvement; documentation and status reporting. Projects will follow organizationally accepted methodologies such as BPMS, DMAIC, DMADV, TQM, TRIZ, TOC, PDCA, PMI. **Requirements:** Masters Degree in Industrial Engineering, Process Management, Six Sigma, TQM, Project Management; 5+ years of process improvement / change management experience; 3-5 years of Service Organization experience; knowledge of current & long-term trends in education. Qualified candidates should submit resume and salary requirements to mbiggs2@kaplan.edu.

**Mechanical Inspector** Candidates must have prior **experience with:** Micrometers, Calipers, Optical Comparator, Must be able to read Blueprints and Schematics, close tolerances, fast paced production environment. Experience with this would be a plus: Geometric Dimensioning and Tolerancing (GD&T) would be a plus, Smart Scope would be a plus, hours are from 7:30am-5pm (5 hours of overtime weekly), Temp to perm. The position is located in Tamarac and it is a **Metal Processing plant.** **Contact information:** John Ross 954-717-3553 or joross@aerotek.com

CSC/AUTEC is looking for a **Metrological Lead Tech** to be responsible for maintaining the Calibration's records, and verify that the Calibrations are performed competently, accurately and with the proper procedure and/or associated documents for the AUTEC Facility.  
**Requirements:** AS/AA degree in electronics or equivalent, minimum five (5) years related experience working in a Military or Civilian with calibration type equipment with specific emphasis on solid state circuits' environment. Knowledge of specific electronic manufacturing type instruments is required such as knowledge of repair of Tektronix, Hewlett-Packard (Agilent), Fluke, General Radio, Wavetech and Simpson. Knowledge of physical device manufacturers is preferred such as King-Newtronics, Snap-on and Consolidated Devices. Knowledge of the calibration specification of ANSI/NCSL Z540-1-1994 (R2002). Valid Drivers License and passport will be required. Security Clearance: Must meet eligibility requirements to obtain and maintain the required government security clearance. Must be able to reside in remote location with limited medical facilities. For information on how to apply via the website, please **contact MJ Miller** at 561-832-8566, x7405.

**The Anspach Effort, Inc.,** Palm Beach Gardens, FL 33410, a Medical device manufacturer of high-speed surgical drills and cutting tools used to cut and shape bone has openings for a **Senior Design Engineer, Quality Assurance Engineer, and Contract Engineers for Electrical Hardware and Electrical Software.** For all jobs, you contact is: **Heather Tanksley**, Human Resources, 561-627-1080 x8502, Email: [hr@anspach.com](mailto:hr@anspach.com) or [heathert@anspach.com](mailto:heathert@anspach.com). Company website at: [www.anspach.com](http://www.anspach.com).

**SENIOR DESIGN ENGINEER**—Provides mechanical product development support on assigned projects in accordance with corporate design guidelines. Designs, develops, and conducts preliminary testing of medical devices and accessories used to cut and shape bone. **Requires** a Bachelor of Science degree in Engineering and 7-10 years of related experience, or 15 years of related experience and/or training, or a combination thereof. Must have a strong Mechanical Engineering background. Prior experience in the medical devices is preferred.

**QUALITY ASSURANCE ENGINEER (for New Product Development)** — Develops Quality Plans, inspection procedures and control plans for new product development. **Requires** a Bachelor of Science degree in Science or Engineering or related discipline, plus 2-4 years experience as a Quality Engineer in the medical device industry or a comparable regulated industry.

**CONTRACT ENGINEER (ELECTRICAL/HARDWARE)**—approximately a six (6) month period. See details on website..

**CONTRACT ENGINEER (ELECTRICAL/SOFTWARE)**—approximately a six (6) month period. See details on website.

**Array Connector Corp** has an opening for a **Production Manager Molding.** **Responsibilities:** To coordinate with planners and produce molding requirements in accordance with Company's MRP system. To work with Design Engineers in the design, development and improvement of molded components used in the production of the Company's products. To plan, staff, and specify equipment necessary to product the quality and volume of output consistent with the goals of the Company. **Qualifications:** College degree preferably in Engineering with a minimum of five years molding experience and two years experience in a supervisory capacity. **Contact:** [fgilliam@arrayconnector.com](mailto:fgilliam@arrayconnector.com)

The Respiratory and Monitoring Solutions Business Group division of **Covidien**, formerly Tyco Healthcare, has positions for a **Software Quality Engineer** and a **Senior Quality Engineer** at it's Boulder Colorado Headquarters (relocation is available). For more information about these opportunities, go to: [www.covidien.com/careers](http://www.covidien.com/careers). Pull up jobs for Boulder, CO or send your resume to [Tim.Wasik@Covidien.com](mailto:Tim.Wasik@Covidien.com)

**SOFTWARE QUALITY ENGINEER Requirements** —BS EE, CS, or CE, 3+ yrs in a software quality engineering or test role, knowledge of product risk assessment, requirements management and tracing, defect tracking, configuration management techniques, and how they are applied in the software development lifecycle, software industry standards (e.g. ISO, IEEE, CMMI), Knowledge of C, C++, and LabVIEW

**SENIOR QUALITY ENGINEER Requirements** — BS in an engineering discipline, EE preferred, 5+ yrs of quality engineering experience in a high volume manufacturing environment, Skilled in test plan development and root cause failure analysis  
Skilled in statistical methods, including ANOVA, statistical process control, sampling plans, gauge R&R, and design of experiments. Familiar with reliability analysis and test methods, CQE certification desirable
