## Message from the Section 1510 Chair by Andy Vouloukos

### December Dinner Meeting a Huge Success

We had a near record turnout of 64 members at our December 11, dinner meeting. Gary Maingot, Engineering Manager at Boston Scientific, gave a very informative talk on Lean, Increasing Your Competitive Advantage. The wide range of audience (from Lean Ignorant to Lean Savvy), was very attentive. Gary also did a fine job of fielding the many questions. We went way over on time, but very few seemed to mind.

Our networking session prior to the meeting was also well attended. We had the opportunity to have an open bar with snacks in an outdoor area next to the meeting room at Shula's Golf Resort. I literally had to pull people out of the network event to get the meeting started. We will do this again!

As a reminder, we return to our regular venue in January at Shula's Hotel on Main Street.

### Please join us in January 2008 for our next dinner meeting

On January 8, 2008, Paul Chang, an IE at Pylon Manufacturing in Deerfield Beach, will talk on his experiences with Kaizen Blitzes, and the resulting improvements. Paul has experience with the Kaizen Blitz at two different companies. This is a great follow-on to this year's earlier Six Sigma and Lean presentations.

Hope to see you all for our first meeting of 2008.

(Continued on page 3)

## Message from the Section 1515 Chair by Enrique Bekerman

### Happy New Year!

This is a time for new beginnings, when we promise ourselves to start new wise and healthy habits. As you get ready to finalize your New Year resolutions, you may want to consider including attendance at one, or several, ASQ meetings or attaining an ASQ certification to your professional goals for 2008. Like exercising to lose weight, it may seem difficult getting started, but once you start, you will find ASQ a rewarding experience...a good habit that is hard to break.

Below is a sampling of the activities you don't want to miss:

Our January 17, 2008 meeting will feature Phil Centonze, Founding Partner of Pos-Impact, LLC. Phil has delivered several excellent programs at both sections 1510 and 1515. Phil will be sharing his Florida Governor's Sterling Award Examiner experience in explaining the importance of Leadership in achieving excellence. Because this topic is of great interest to Senior Leaders, we are extending an invitation to our members to bring their bosses to this meeting. ASQ is not only for the Quality professional, but for anyone in an organization interested in attaining Excellence.

On February 13, 2008, the Southeast Florida Section, 1510, will be sponsoring the annual Performance Excellence Showcase at the Signature Grand, Davie, Florida. This is an opportunity for companies or organizations to showcase best practices in process improvement through a public forum, where teams demonstrate the principles and tech-

# Section 1510 ASQ Certification Refresher Classes

To participate in an ASQ refresher class, please sign up on the web page at [www.asqsefla.org](http://www.asqsefla.org). If you have a question regarding registration or class site, call Mayra Bisnow, Education Chair, at 954-478-0384 or email [mbisnow@gmail.com](mailto:mbisnow@gmail.com). For course content questions, textbooks, or ASQ certification, contact Eleanor Chilson at 954-428-7373 x-245. Please sign up at least three weeks before the scheduled class start to assure you have the textbook at first session. Any classes that do not register a minimum of five students will be cancelled. *All classes are refresher classes.*

Class	Class Name	CEU's	Fee Includes materials, handouts and text where applicable	When	Time Classes are 5:30 pm to 8:30 unless otherwise listed	Instructor
IA	Internal Auditing for Quality Systems	1.0	\$175	February, October	One day Seminar 8:30 am—5:30 pm	Kannan Krishnan CQE, CQA, CQMa, CQIA, CSSBB, CQPA

**For Certification Exams dates and locations, please visit the ASQ Certification website at [www.asq.org](http://www.asq.org)**

(Continued from page 1)

### **It's again time to think of nominating the Quality Practitioner of the Year**

Do you know an individual who is deserving of being recognized as Quality Practitioner of the Year? Perhaps someone previously nominated, who did not receive the recognition, or someone in your company who just stands out in terms of their achievement.

I urge you to consider working with the person you wish to nominate to get a comprehensive list of their achievements. Who knows these achievements better than the nominee? And experience has shown that achievements do count in winning this award! Judging will be by a panel of Quality peers.

The nomination form can be printed from our website: [asqse-fla.org](http://asqse-fla.org). The deadline for receipt of entries is January 21, 2007, and the winner will be announced at the Performance Excellence Showcase in February 2008. GOOD LUCK !!!

### **HAVE A GREAT HOLIDAY SEASON !**

As 2007 ends and 2008 edges around the bend, let me take this opportunity to wish each and every member a safe and happy Holiday Season. As we visit family and friends and share gifts and joy, let us not forget the less fortunate. Whether it is making a small donation at the local supermarket when scanning out, opening your heart to a needy person on the street, or embracing a family or friend in need of support, I urge you to feel the spirit of giving. There is nothing like it! Until next year . . .

### **Quality Practitioner of the Year Criteria**

***Please see [www.ExcellenceShowcase.org](http://www.ExcellenceShowcase.org) to download the form that must be completed and mailed in.***

Please supply the following information for each person you nominate for the Quality Practitioner of the Year. Use a separate sheet of paper for the following information.

1. What has been the nominee's most significant contribution to organizational improvement and success?
2. Please provide a list of procedures, measures, or techniques the nominee has implemented for the improvement of quality.
3. Please provide examples where the nominee's volunteer/community activities made a difference.
4. Please provide a list of the nominee's relevant articles, publications, or presentations relative to the improvement of quality.
5. Describe any of the nominee's additional achievements (i.e., education, certifications, classes, awards, etc.)

Supporting documentation should be no more than 3 pages. Nominees will be scored as follows: Items #1 and #2 will be scored from 1-10 points; Items #3, #4, & #5 will be scored from 1-5 points. The total number of points is 35, and the nominee with the highest total will be honored as South Florida's Quality Practitioner of the Year.

## **Six Sigma Green Belt Training**

Sponsored by ASQ Section 1510

### **Program details:**

- Designed for Six Sigma enthusiasts who will perform or facilitate process improvement activities
- Suitable for all areas and all levels within an organization
- Nine Saturday sessions from 8:30 AM to 5 PM starting TBD. Classes planned to begin in March and October pending sufficient registration.
- Location: TBD
- Cost \$2500 per participant (Breakfast and Lunch included) Grant money may be available to organizations through the State of Florida. For details go to [www.workforceflorida.com](http://www.workforceflorida.com) under 'Incumbent Worker Training'.

### **Certification Program includes:**

- Six Sigma methodology and DMAIC roadmap
- Hands on workshops on Six Sigma process improvement tools
- Hands on training on use of Minitab Software
- Successful completion and presentation of a strategically linked process improvement project.
- Six Sigma Handbook by Thomas Pyzdek and Six Sigma Memory Jogger presented as reference material

### **Instructors are Six Sigma Black Belt practitioners certified by ASQ:**

Kannan Krishnan CSSBB, CQMa, CQE, CQA, CQIA, CQPA  
Purav Panathula CSSBB, CQE, CQMa

### **Program Benefits:**

- Competitively priced to accommodate individuals and company sponsored employees — *About 30% lower in price than other locally offered Green Belt Certification programs*
- Credibility of the certifying body (ASQ Section 1510)
- Weekend program
- Included in this program (not in most other Green Belt Certification Programs): Use of Minitab Software, Design Of Experiments (DOE)
- Coverage of the 'Certified Quality Improvement Associate' (CQIA) Body of Knowledge
- EU Points for ASQ re-certification: 6.0

### **Prerequisites:**

- Laptop preferred but **not** mandatory
- Basic math skills

### **Requirements for Certification:**

- Attend a minimum of 6 sessions
- Present a completed project

For registration and additional information please contact section Education Chair Mayra Bisnow, Education Chair, at 954-478-0384 or email [mbisnow@gmail.com](mailto:mbisnow@gmail.com). You may also register through our section website [www.asqsefla.org](http://www.asqsefla.org)

### ***Section 1510 Mission***

***To foster a dynamic environment that will:***

- ***Enable section members to network with peers***
- ***Provide seminars and courses on the latest quality related tools and topics to facilitate their implementation in the manufacturing and service industries***
- ***Lead section members into developing their potential through ASQ certification***

*(Continued from page 1)*

niques of improving quality through employee participation. We support this exciting event and encourage all ASQ 1515 members to attend with their colleagues and company leaders

There are two levels of participation in this event, Team Presentations, where each team has 10 minutes to tell their process improvement story to an audience of peers and judges, and a Storyboard Competition, where companies showcase their improvements on a storyboard for judging. Prizes are awarded at both levels. The winner of the Team Presentations will represent South Florida Region 6 at the state-wide Florida Sterling Quality Conference. I encourage all our members to attend this event. We encourage all to support this huge event. On March 11, Sections 1510 and 1515 will hold a joint event at a central location. The details for this exciting event are being worked out, but will be available in the next newsletter.

### **Some of Section 1515 upcoming events:**

On April 17, a joint meeting will be held at the VA Hospital in West Palm with the Treasury Coast healthcare executives' organization (ACHE). In early May a plant tour and presentation will be held at FHP in Fort Lauderdale to learn about their Lean implementation. We will also hold an evening meeting in late May honoring NCCI, our sustaining member for the last five years. In early June a tour and presentation will be conducted at The Ritz-Carlton in Palm Beach.

In addition, to satisfy requests from some of our members, we will plan to hold a daytime meeting in the Spring.

Special thanks to Judy Gottesman, our 1515 Board Secretary, for leading our certifications and re-certification efforts. Thanks to Judy and Jay Stahan for proctoring our December exams..

I hope you can make ASQ a big part of your professional lives in 2008.

**Best wishes for a happy and prosperous New Year to all ASQ members and their families.**

## **Section 1515 Palm Beach County Events**

**January – Dinner Meeting                      Thursday, January 17, 2008                      6:30 pm**  
**JANUARY 17, 2008 IS ASQ 1515 BRING YOUR BOSS NITE!!!**

**Our topic and speaker in January will be of special interest to leaders who want to take their organizations to a higher level of excellence.**

**Speaker:** Phil Centonze, is Co-founder and Managing Partner of POS-IMPACT LLC

**Topic:** Leadership for a High Performing Organization: No Room for Managers

This presentation will explore the role of Senior Leaders and the Leadership System in the success of an organization. Participants will be engaged in a discussion about defining the functions of leaders and managers, and how these differ in their approaches to performance improvement. The Leadership category of the Florida Sterling Criteria for Organizational Performance Excellence will be reviewed and used as a template for high performance leadership behaviors to sustain and guide a thriving organization. Examples of actual organizational leadership activities will be used to clarify the ideas talked about.

Phil Centonze, the speaker for our January dinner meeting, is Co-founder and Managing Partner of POS-IMPACT LLC. Phil works with companies across all industries to build teams, improve competitiveness, profitability, and the way they do business. With POS-IMPACT he teaches and implements best business practices to teams of managers and employees of companies of all sizes. He has a BS degree in engineering from the U. S. Coast Guard Academy, and has earned an MBA from Florida International University in Miami. Phil is a 13-year Master Examiner for the Florida Governor's Sterling Council, and is a Certified Quality Auditor (CQA).

**Date/Time:** January 17. 6:30 p.m.-7:15 p.m. dinner and networking. Presentation: 7:15 p.m. to 8:30 p.m.

**Place:** NCCI Headquarters 901 Peninsula Circle, Boca Raton

**Cost:** ASQ members and their bosses \$15, non-members \$20. Includes a delicious buffet dinner, networking, a valuable presentation and a guaranteed good time! Free to ASQ members attending their first Section 1515 meeting, unemployed ASQ members, college students and NCCI employees.

**Directions:** I-95 to Congress Avenue exit 50. Stay in the lane for North Congress. At the light, go straight across Congress. Follow the road around the lake to NCCI. Enter at front Security gate. They'll be expecting you.

RESERVATIONS REQUIRED: [www.asqualitypalmbeach.org](http://www.asqualitypalmbeach.org) or (561) 832-8566 x7231

# 1510 Dinner Meeting Speaker

Paul Chang is an Industrial Engineer at Pylon Manufacturing in Deerfield Beach. Pylon makes several brands of Windshield Wipers.

Paul has led numerous Blitzes at 2 different companies and will be showing the improvements that were made as a result. This will be a very informative meeting!

## 1510 Plant Tour — January 24

**Time/Date:** Tuesday, November 6, 10:30 am

**Cost:** Free

**Reservations:** [www.asqsefla.org](http://www.asqsefla.org)

**Place:** Relli Technology, Inc., 1200 S. Rogers Circle, Boca Raton, FL 33487

**Relli Host:** Rafael Ardila - Quality Assurance Mgr.

**Section 1515 members are welcome to attend this event**

**The tour will include a short company presentation, then walk through the warehouse where some of the materials Relli supplies and a visit the Quality department in the main building**

Relli Technology is an established Government supplier under CAGE Code 57550. The principle business operation is located in Boca Raton, FL that is comprised of approx. 50,000 SF of office and warehouse space. The business enterprise has a current staff of about 50 employees whose main mission is to provide sourcing and distribution solutions for military products for end users.

Over the last 30-years, Relli Technology has expanded its business philosophy to provide complete integrated services in forecasting product demand, in evaluating and in determining source selection, in providing warehousing and inventory management, and in choosing distribution networks for cost control.

(Continued on page 7)

### UNIVERSITY OF MIAMI

#### School of Business Administration Lean Six Sigma Training and Certification

The University of Miami is proud to present Lean Six Sigma training and certification at the Champion, Green Belt and Black Belt levels starting in January 2008. Courses are taught by Dr. Howard Gitlow. **Lean Six Sigma management** is the pursuit of the reduction of variation and the elimination of waste in all critical processes to achieve improvements and innovations that impact the bottom-line of the organization, and increase customer and employee satisfaction. Two options are available.

**Option 1: For Academic Credit.** This option offers 6 academic credits for Champion certification, 6 additional academic credits for Yellow Belt, 3 more academic credits for Green Belt certification, and 3 final academic credits for Black Belt certification. This option is offered on 26 Fridays starting in January 2008, plus the time involved in completing project (s). *It is aimed at individuals wishing a traditional classroom experience.* Please go to [www.miami.edu/sixsigma](http://www.miami.edu/sixsigma) or call **305 284 4607** for complete information, including course dates and descriptions, as well as fees.

**Option 2: Not For Academic Credit.** This option offers Champion training on January 12 and 19, 2008, Green Belt training on January 12, 19, February 16, and March 1, 2008, and Black Belt training on January 12, 19, February 16, and March 1, 2008. Black Belt training includes DVDs of all academic courses required for certification. *This option is aimed at individuals with time constraints who wish to study on their own schedule.* Please go to [www.miami.edu/sixsigma](http://www.miami.edu/sixsigma) or call Dr. Howard Gitlow at **305 284 4296** for complete information, including course dates and descriptions, as well as fees.

### Oppenheimer Partners

Public Course Offering

**Introduction to CMMI® v.1.2**

**February 26-28, 2008**

- If... your customers are asking “What CMMI Level is your company?”
- ... your competitors are claiming to be “CMMI Level 5”
- ... you think CMMI is only for software and not applicable to your company
- If... your company is trying to implement or monitor a CMMI program
- ... you are planning to participate as a SCAMPI (CMMI) appraisal team member
- ... you want to learn how CMMI can help with your company’s process improvement direction and deployment

Then... **join us in Bal Harbour (Miami Beach)** for the *Introduction to CMMI® v.1.2*.

For details go to: [www.oppenpartners.com](http://www.oppenpartners.com) or contact **Martin Oppenheimer** at [marty@oppenpartners.com](mailto:marty@oppenpartners.com) or phone 305.864.9834 (voice); 786.325.4327 (cell).

# Employment Opportunities

**Micrus Endovascular** is a medical device company formed in June 1996 with its corporate headquarters in San Jose, California. **Micrus Endovascular** manufactures and markets both implantable and disposable medical devices used in the treatment of cerebral vascular diseases. Our products are used by interventional neuroradiologists and neurosurgeons primarily to treat cerebral aneurysms in the brain responsible for hemorrhagic stroke, a significant cause of death in the United States. We are seeking a **Quality Assurance Engineer** for our **Miami location** . For immediate consideration, please forward **Resumes to [ydiaz@micruscorp.com](mailto:ydiaz@micruscorp.com)**

## More Employment Opportunities On Website

Please visit the Career area of the Section 1510 website for the most current and complete listing of opportunities - [www.asqsefla.org](http://www.asqsefla.org)

(Continued from page 6)

As part of Relli's commitment to service an international market, Relli Technology has added the resource expertise in each of these areas of supply chain management to meet the growing needs of our customers. Relli offer complete services in customs brokering, military packaging, RFID labeling and real-time tracking of products from shipment to destination, as part of integrated supply agreements.

Relli's business operation has Governmental approval for cost tracking in being able to receive progress payment awards as a small business. We have been audited by multiple prime contracts and DCMA (Defense Contract Management Agency) for quality processes that ensure surveillance of our sub-tier suppliers to be in compliance to contractual terms and conditions. Relli's performance metrics in ser-

ving our customers' long term agreements has consistently exceed a 95% fill rate for any business conducted over the last 5-year period.

On August the 9th, the Defense Supply Center Philadelphia (DSCP) granted Relli Technology approval to the Qualified Suppliers List for Distributors (QSLD) for Class 2 & Class 3 Threaded Fasteners. Class 3 threaded fasteners are generally utilized in aerospace applications, while Class 2 threaded fasteners are primarily used in ground and marine applications. In the rare instances where both classes of thread are used on a single part, e.g. on a stud, the more stringent Class 3 criteria (and source list) apply. Under the QSL, one important difference between the two programs is that Class 3 manufacturers are required to utilize real-time Statistical Process Controls (SPC) as part of their fabrication processes.

# The Variant

Section 1510 with Section 1515

Jan 2008

**Plant Tour — Jan 24** *see pg 6 for details*

## **Section 1510 Dinner Meeting ---- Jan 8, 2008**

**Speaker: Paul Chang**  
**Pylon Manufacturing**

**Topic: KAZIEN Blitzes — Success Stories**

Registration Deadline: Sunday, Jan 6, 12:00 Noon

Meeting Date / Time: Tuesday, Jan 8, 2008 at 6:00 PM

Location: Don Shula's Hotel, 6842 Main Street, Miami Lakes, Telephone 305-821-1150
